

United People Global 2019: Towards A Greater Lagos

Lagos, October 2019

Expert Consultations

Expert Consultations are small gatherings of selected experts to explore a specific thematic area and to contribute to the agenda of UPG 2019 in Lagos. The 5 thematic areas are:

1. Transportation
2. Health and Environment
3. Education
4. Making Lagos a 21st Century Economy
5. Entertainment, Sports and Tourism
6. Security and Governance

From June 2019 onwards, Hosts provide spaces where experts review one of the 5 Executive Priorities for Lagos and share their responses to questions that include:

- A. What are the most pertinent issues in this thematic area?
- B. What specific questions must be asked and explored as part of the agenda in October?
- C. What targets and ambitions can and should Lagos aspire to?
- D. What metrics are relevant to track progress?
- E. Who are some of the relevant expert voices, both local and international, that must be part of the conversation in October?

The comments, ideas, and recommendations influence the design of the programme in October.
